### **A helpful friend - Picture Composition**

Tom had a glittery new pen. It was a present he got on his birthday, and he felt very happy with it. At school, Tom shared the pen with his classmate, Sam, so Sam could see how sparkly it looked.

After that, it was recess. Tom and Sam played basketball together. They laughed and ran around, passing the ball back and forth. When recess ended, Tom went back to class and sat on his chair.

Then Tom noticed something. His pen was gone missing. His heart sank. He looked in his pencil case and under his desk. "Oh no!" he said. He searched carefully, but the pen was dashed deeper and deeper away from his thoughts.

Sam felt worried too. He helped Tom search around the classroom and near the bin where things sometimes fell. Together they checked the floor and the desks.

Then Sam pointed and said, "Look!" There was Tom's glittery new pen, returned at the edge of the classroom. Tom picked it up and smiled. "Thank you, Sam," he said. From that day, Tom knew a helpful friend can really make a difference.
